TrimLine™ fits neatly beside work tables or in narrow spaces.

Trimline™ Waste Containers

Heavy duty plastic construction for easy cleaning. Corner tabs keep bags secure and helper handle on bottom makes lifting and dumping easier. Available in brown, gray and black. New Recycle container displays the recycle symbol on both sides-available in blue and green. New Compost green container addresses city requirements for compost food waste. To make waste management discrete, both swing top and handled lids can be purchased in any color. Wire Frame Dolly (sold separately) makes waste collection more efficient and safer for employees.
